## Grandstand is something to cheer about

In a year when no rugby league is being played at Guyra due to COVID-19, the start of construction of the all-weather grandstand at the Guyra Sporting Complex has given supporters something to cheer about. 2020 was looking promising for the game in Guyra, with the prospect of under 18s and an under 16s squad for the first time in many years, along with a strong turn-out in other grades.

Guyra Junior Rugby League President Gina Lockyer has been the driving force behind the project and joined Northern Tablelands MP Adam Marshall on Tuesday for a ceremonial turning of the first sod for the \$120,000 project. Interim-Administrator of Armidale Regional Council Viv May was also on hand to inspect progress on the project.

Gina said the grandstand, which will provide covered seating for 300 spectators, was something positive the community could get behind.

"This grandstand is a real positive for the future of our game and signifies what both the senior and junior league committees are trying to achieve in making the ground all-inclusive and family

A ceremonial turning of the sod for the new grandstand at the Guyra Sporting Complex with Armidale Regional Council Administrator Viv May, Member for Northern Tablelands Adam Marshall and Junior Rugby League President Gina Lockyer

friendly.

"I believe this grandstand will make the venue appealing as a place which can host regional carnivals and events, boosting the profile of local sporting clubs looking to rebuild post pandemic and injecting much needed funds into our economy.

"During the planning process our committee worked hard to ensure the build went to contractors from the Guyra

and Armidale areas and are pleased to have been able to provide work to Rice Construction Group, CT Electrics, Ducat's Earthmoving and Armidale City Signs.

"Weather permitting we anticipate the project will be complete by early September, and our plan is to officially open the grandstand in conjunction with the launch of the 2021 Rugby League season and the triumphant return of

the Super Spuds."

Mr Marshall said that for small towns like Guyra sport is the fuel which keeps community spirit burning.

"The completed grandstand will be a real game-changer for all user groups, providing spectators relief when the cold winter winds blow as well as protection from the sun in the middle of summer."

**As an Australian company with a 700 strong local workforce, many of who live within the Guyra/Armidale area, Costa is actively supporting both the social and economic aspirations of our local community.**

Costa has worked with the Guyra Sports Council to establish the inaugural Guyra Community Sports Grants Program. The grants program is aimed at encouraging sporting activity throughout the local Guyra community.

The Costa Tomatoes Tertiary Scholarships assist a local year 12 school student with educational and living expenses during their university studies. The Scholarship recipient also has the opportunity to undertake paid employment with Costa during the year, in particular over academic holiday periods.

Costa also values our local business partners, whether it be our use of tradies to provide building and maintenance services, or the opportunity for our employees to buy fresh food and groceries without having to travel miles out of town.

Put simply we all rely on each other for our success.

For a business such as ours to be successful in a regional town, it is important to be able to work cooperatively and productively with the local community.

Costa looks forward to continuing to contribute to our local community as we invest in further expanding our tomato production in Guyra, including employing up to an additional 160 workers.

## Sustainable farming is at our core

**Water security is important for all of us in Guyra and the New England region.**

Costa rates water as our number one sustainability issue and the drought has reinforced the importance for us to become even more efficient in our water use. Costa would never seek to place in jeopardy the water supply of the Guyra community nor put at risk the local environment.

Our New England Highway site is water self-sufficient meaning we don't use any town water on our crops. The new glasshouse we are constructing at that site will build on this self-sufficiency. This includes increased water capture capacity on the site in order to decrease any reliance on bores and reduce the risk of not having adequate water supply in any future drought conditions.

Costa will also continue to increase our recycling and reuse of water. Over the last 12 months we have doubled our recycled drain water storage capacity at our Elm Street site. This is expected to save up to 140 megalitres of drain water per annum and increase Costa's drain water recycling rate from 70% to 100%.

## Supporting our schools

*"Thank you so much for co-ordinating the deliveries of the Perino tomatoes throughout Term One.*

*Our students loved having tomatoes on-hand to munch throughout the day...and we can't wait for 2021.*

*Please pass on our sincere thanks to all your staff members and thank them for supporting our local schools."*

**Ros Edwards – Principal, Bald Blair Public School Guyra**

## Supporting local businesses

*"We at C.T. Electric are grateful to Costa for the opportunity to work with them allowing us to be able to employ and train young people from our local community."*

**Geoff Thrift – Owner, CT Electrics – Guyra**

*"On behalf of Guyra Country Fresh Hot Bread Shop we would like to thank you for your continued support of our business.*

*Costa's provide our business with a stable source of income and without their business it would be a lot harder to continue to trade with the tough times that all local small businesses are facing. We are looking forward to working with Costa's in the future."*

**Colin Stanley – Owner, Guyra Country Fresh Hot Bread Shop**

*"The Costa Group have been great supporters of our business and the local economy for many years and hopefully for many years to come."*

**Ray Hammond – Owner, Hammond Plumbing – Guyra**

*"Aside from the wonderful fresh produce grown at our back door, the Tomāto Farm has provided many fiscal and social benefits to our local community. The employment opportunities offered by the Tomato Farm are well received in Guyra as the continual flow of new employees not only contribute to our local economy, but also bring a range of skill sets to our community. As a local business, it is great to see expansion of the project and the continued economic stability it provides the local community."*

**Harris Kirk – Owner, Kirks IGA – Guyra**

# Beauty Basics by Em now open

Beautician Emma McLennan is now offering her services to the Guyra community, last week launching her new business 'Beauty Basics by Em'.

While the business is new, Emma is already well known having lived in the district since 2009. She previously worked with Pip Koche at Boutique Beauty and also popped up at a few other places including Caffiends and Brisk Trading.

Over the last few years she has taken time out to begin a family and is now a proud mum to Penelope and Fraser. Now that they are no longer babies she felt the time was right to ease back into her chosen profession.

"I missed the contact with people and the sense of purpose you get from seeing your clients walk out the door with a new spring in their step," Emma said.

"People like to feel special and they come in and take off their layers and trust me to work a little magic, which is what I love to do."

Emma is operating alongside Crop Hair Design at 148 Bradley Street. Owner Cathy Mills said that Guyra residents have been crying out for a qualified beautician and she is excited to have her on

Emma McLennan has teamed up with Cathy Mills and Hannah Williams from Crop Hair Design to offer a one stop shop for hair and beauty

board.

"Em has an absolute passion for her work and we are so excited to be able to share our space with such a bubbly and talented professional." Cathy said.

Beauty Basics will be open one day a week on Thursday to start with, offering

all of your essential beauty needs such as waxing, tinting, manicures and pedicures.

You can make an appointment by phoning 0436 098 185 or call into Crop Hair Design. As an opening special she is offering an eyebrow shape plus eyebrow and eyelash tint for \$50 until the end of the month.

## Vale Jack Vivers

On behalf of Belinda, Isobel, Adelaide, Zara Vivers and the Guyra Milling team it is with great sadness we inform you of the passing of Jack Vivers.

Jack had a love for feeding livestock and grain trading. His passion in these fields was infectious. Jack's wealth of knowledge and experience is cemented into the business. He was proud of maintaining a family orientated business and we hope to continue his legacy.

Jack was so much more than a great work mate, he was a lifelong friend and will be remembered as an inspiring and passionate man.

The team at Guyra Milling would like to inform our customers that we are still open for business to accommodate your livestock feeding needs.

A Livestock Nutritionist has joined our team to help with any questions you may have about feeding your livestock.

The owner of Guyra Milling Jack Vivers passed away suddenly on the weekend

Faceless youth, lost souls and tech-wise canines were all featured in the winning entries for Armidale Regional Library's a Live it. Create it. Share it competition, inviting local youth to share their experiences about COVID-19.

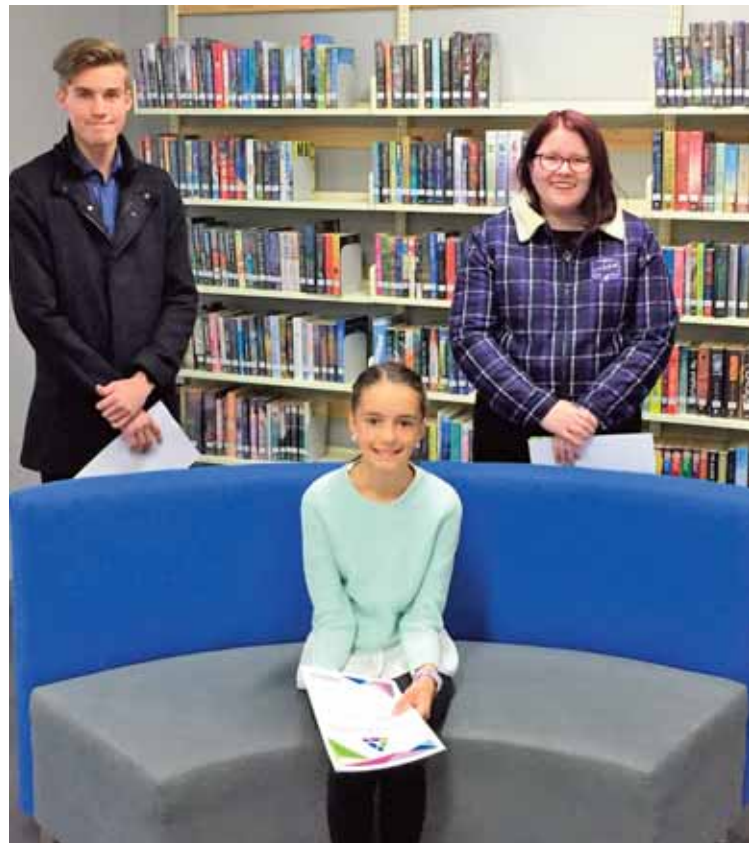

Two Guyra entrants were among the winners. Sarah Walls penned a touching tribute to Little Boy Lost, while Hugh Shipman enlisted his canine companion to make a point.

Project Librarian Elizabeth Thomas said that there was a number of high quality entries, both in their creativity and the insight they provided to how COVID-19 affected young people in our region.

"Testing times quite often inspire the greatest artistic expression and it would seem the past few months of COVID self-isolation are no exception," Eliza said.

"The competition judges found it highly rewarding, witnessing the exceptional artistic talent of our young people and learning more about how youth are experiencing and responding to the pandemic."

In these challenging times, keeping connected is a must for us all, especially those of us working remotely. As each day holds the same threat as the last, we are all doing our bit to support our businesses so they are still there for us in the future, in an ever-changing society.

## Little Boy Lost

by Sarah Walls

Once there was a little boy gone,  
An innocent little boy, lost.  
Lost and alone and scared.  
He once didn't know the cost,  
The cost of being so lost.  
But that little boy was found.

Once there was a little boy found,  
An innocent little boy, saved.  
Saved and happy and bright.  
He couldn't know the cost,  
The cost of his loss.  
But that little boy was lost.

Once there was a man who was lost,  
A brilliant, kind man, gone.  
Lost and alone in isolation.  
The cost of feeling lost,  
A loss so profound right now.  
But that man was lost.

I once had a cousin.  
A cousin called boy found.  
He grew into a man so loved.  
But we lost him...  
Boy lost now found in heaven.  
Rest in Peace.

# Reverend Campbell becomes State Moderator

Reverend Andrew Campbell was installed as the newly elected State Moderator during the 2020 N.S.W. State Assembly of the Presbyterian Church on July 13th. The assembly was held at the Presbyterian Ladies' College, Croydon and was 'zoomed' to ministers and elders across the state due to current physical distance restrictions.

Andrew is clear about the privilege and distinct honour he feels, being the second moderator elected to the role from Guyra. The Reverend Norman McKie was appointed minister in charge of Guyra Presbytery in 1912 and he served a term as NSW Moderator in 1938.

Andrew is currently appointed as Home Missionary serving on a halftime basis between Guyra and Glen Innes Presbyterian churches since 2017. He and the congregations appreciate the support given by his wife Anne who also works as a Behaviour Support Practitioner with 'Brighter Access' in Inverell.

Together they have inno-

Reverend Andrew Campbell and wife Anne

vated to meet the challenges of supporting the Christian community with pre-recorded, home-delivered worship services throughout the period of restricted gatherings. At present the St Columba's congregation is able to welcome people to

join their worship service at 9am on Sundays.

Andrew grew up in Coffs Harbour and Inverell Presbyterian Churches where his father, Rev. Donald Campbell was the minister.

"I came to faith in Christ through my parent's Biblical

teaching and godly example," Rev. Campbell said.

"Both grandparents were ministers, and my great-grandfather (converted in a Revival in Scotland in 1859) so I am a fourth generation minister."

After first studying rural science at UNE, Andrew trained at Moore Theological College. He held roles at Aspendale (Vic), Muswellbrook, Wagga Wagga and Youth Ministries "Salt Company" at Blacktown, Lalor Park, Mt Druitt, St Marys and The Conference Centre: Thornleigh.

Andrew and Anne currently live at 'Geebung Flat' near Stanborough. (25 kilometres south of Inverell) where they foster their interests of family (with 26 grandchildren); all kinds of garden, farm sustainability and responsible environmental restorative work on their bush block along with his interest in welding and vehicle/machinery maintenance.

The Presbyterian Church community congratulate and support Andrew in meeting the challenges of this role.

# Term 3 off to good start

We'd like to welcome all our students and staff back to Term 3 at Black Mountain Public School. Yesterday, our staff participated in Staff Development Day.

We are currently taking enrolments for 2021. Our school offers a comprehensive Transition to Kindergarten program for children 4 years of age. This program is specifically designed to prepare children for Kindergarten with a strong Literacy and Numeracy focus, as well as craft, art and sport activities. Transition runs every Friday. Please contact

the office on 6775 0192 to make an appointment to meet our staff and view our great school.

Our After School Activities Program will run again this term on Monday, Tuesday and Wednesday.

The last Thursday of Term 2 we held an in-school assembly recognising our student's outstanding attendance and academic achievements in the classroom.

Congratulations to everyone. Take care and stay safe.

## Live it. Create it. Share it. competition winners

The winners of Armidale Regional Library's Live it. Create it. Share it competition have been announced.

Congratulations to Sarah Walls, Christian Dick, Hugh Shipman and Aliyah Snapes, who took the prizes for the two categories and each won a \$250 EFTPOS card.

Visit our Live it. Create it. Share it page to see all the winning artworks and highly commended entries for the competition, which invited young people in the region to express their experiences of the COVID-19 pandemic.

## COVID-19 updates

Further COVID-19 control measures for community sport have been announced by the NSW Government, in response to rising numbers of confirmed Coronavirus infections in the State.

A COVID-19 safety plan, for all sports with groups larger than 20 people, has been updated to include additional requirements. The new requirements include excluding any participants who have visited Victoria or identified COVID-19 hotspots in NSW during the past 14 days.

For more information visit [www.sport.nsw.gov.au](http://www.sport.nsw.gov.au)

## Free household green waste disposal

Armidale region residents will have free access to Armidale Waste Management Facility & Guyra Recycling & Transfer Station for disposal of household green waste on the third Saturday of each month from July until December 2020.

Council resolved at its May Ordinary Council Meeting to provide residents with one free green waste disposal day per month for six months.

Saturday 18 July marked the first event for free green waste disposal with the next event being held on Saturday 15 August. Commercial loads will not be accepted free of charge.

## Guyra Library extends opening hours

Guyra Library is extending its hours and reopening on Saturdays between 9.30am and 11.30am. The returns chute is also open 7 days.

## Positions Vacant

Work where you can make a difference to the community. To view positions vacant and submit an application visit the Jobs at Council page on our website.

## Resumed tree planting extended to villages

Street tree planting by Council is returning from a two-year break, after sources of reused water were identified to help establish the trees.

The annual program was suspended in 2018 because of the drought and accompanying water restrictions but resumed this week with plantings in Hillgrove, as the program is extended into the villages for the first time.

# Gazette's Celebrity Footy Tipping

The Celebrities are all safely over the century barrier with B&L still in the lead with 113 points.

The Gazette didn't read the spreadsheet properly last week (and obviously can't count) and deprived themselves of 2 points! Hence, with 10 points this week they are now on 105 and in 2nd place.

Soley didn't tip his Raiders (who won their match) and joins the rest of the Celebrities on 101 points.

Leaping out in front of the Locals on 107 points are the Terrible Twosome (but which one is doing the tipping?).

Four points behind are Bulldog and From the Desk on 103 points.

Eel-be-Right is still managing to stay near the top of the Leaderboard and is in 3rd place on 101 points along with Chris, The Red V and Jy. Our Red Devils had a bit of a shocker to slip a place and join GG and Rock 3.

## Junior Soccer

Despite much uncertainty and many regulations regarding the COVID-19 pandemic, the Junior Soccer Season is set to kick off this Saturday 25th August. The six new-look Junior teams for 2020 are listed below. Please note that we still require Coaches for the Under 9 Shadows and the Under 10 Phantoms. Please contact Jo Dullaway on 0428747072 if you are able to help out.

The draw will be published on our Guyra United Soccer Club Facebook Page as soon as it is available. COVID-19 regulations are in place for this season, including social distancing, reduced spectator numbers, hygiene practices etc. A full outline of these regulations will also be posted on Facebook or you can contact Jo on the number above. Our aim this season is to provide some activity and fun for our players while maintaining a safe environment for all.

## Men's Bowls

Saturday July 18th saw three Club Championship Games played. In a Semi Final of the Open Singles John Jackson played Col Stanley, this game was played in the manner that a Semi Final should be played however the scores did not tell the closeness of the contest. Col ran out 31 shots to 13 shots over 28 ends.

In Handicap Singles: Robert Walls (+1) played Mallie Walls (0). Robert won the first four ends opening a small lead one that Mallie was unable to overcome and Robert went on to win 31 shots to 22 shots over 34

ends. The second game of Handicap Singles was between Andrew Sparke (-2) and Roger Cox (+2). Roger took advantage of the 4 shot start and by end 5 he held a 7 shot lead. Andrew never lost sight of the final objective and by end 11 had taken the lead one that did not last long however Roger then took the next 2 ends and a slender lead only to lose the next 7 ends, Andrew held Roger at bay until end 29 when the scores were again level Andrew again drew ahead but Roger was not about to give in just yet and by end 37 the scores were again even at 29 shots all. With either player only wanting 2 shots to win Roger held the next end only to see Andrew play 2 of the best bowls seen played in a long time drawing the 2 shots wanted with his last 2 bowls, taking the win 31 shots to 29 shots over 38 ends.

Now to next Weekend: Saturday July 27th: Start: 12.00pm. Starters: Paul Johnson and Murray Bourke. Umpire: John Jackson.

Club Pairs: Scott Campbell and Boyd Stanley to play Dan Kennedy and

Barry Walls. John Jackson and Barry Campbell to play Cameron Peardon and Murray Bourke

Open Singles: Anthony Bull to play John McIlwain marker Col Stanley.

Major/ Minor Pairs: David Wilcox and Paul Johnson to play Mallie Walls and Ian Jacobs.

Handicap Singles: Robert Goodchild to play Robert Moore marker Andrew Sparke.

As stated last week all boarded games are play or Forfeit as the Match Committee endeavours to finalise the Club Pairs and Open Singles to have a Club Champion in both games in the Champion of Champions.

## Ladies' Golf

There was no golf played last Wednesday due to the cold weather.

This week we are playing a Stroke and Putting Competition incorporating a Golf NSW Medal round.

Next week is the President v Captains Match Play with Vicki Reeves as the starter. Vicki introduced this event to the 2020 programme. It is sure to be a strongly contested match with some friendly rivalry.

## Men's Golf

Last Sunday a good field contested an 18 hole stableford for a club trophy. The winner on a countback with 37 points was Steven Sole, with Jake Ellis runner up. Nearest to the pins were Barry Simpson on the 7th and 18th with Bob Constance taking the 10th.

Next Sunday will be an 18 hole stableford for a club trophy. The OTS was also won on Sunday with Tim Ellis picking up a handy \$90

# Caspers season kicks off

Blake Handebo and Taylor Brennan in action for Guyra against DK

Last weekend Guyra United seniors kicked off their season playing in the Belgrave Cup/Consulation Cup. Guyra had a great turn out, with 20 players pulling on their boots for the season opener. East Armidale forfeited the first game giving Guyra a win and the Caspers progressed straight into the Belgrave Cup. The next game on Saturday was against a very competitive South Armidale first division side. The boys and girls played very well with a very little amount of training and unfortunately they went down 4 - 0. Our very own Ashley 'the flash' Holt scored the very first home goal of the season.

On Sunday Guyra took on DK first division, another very competitive team, and only just lost 2 - 0. The second game

of the day the Caspers had a 1 all draw with a very handy South Armidale 2nd division side. The first win of the season came against another strong South Armidale 2nd division team, with a final score 3 - 0. Goals scored were from Rexly Tasso, Matt Sisson and Norman Miniti. The final game of the day was against South Armidale 1st division premier league and Guyra lost 2 - 0.

It was a great start to the season for the Caspers. The senior competition will kick off this week and will go for 14 weeks finishing on October 31st.

Bring on the season and the best of luck to our Senior players.
