Sweet victory for under 10s

It's been a long time since a major premiership title has come Guyra's way in junior rugby league.

The victorious under 10 side has cemented its place in the history of the club with a 36-6 win in the grand final game against Warialda on Saturday.

Club President Gina Lockyer said that all the Guyra teams played well all year, but the under 10s stood out from the start.

"This is the first grand final victory for the club in many years," Gina said. "We believe that the last win was around 20 years ago so this is a great effort."

"The team tackled well and defended their try line, which was what won the game," she said. "The whole team played really well and they deserved the win."

Brendan Landsborough stood out on the day scoring three tries, while Will Knox and Rave Brazier led the defensive effort with some solid tackling.

The future for the team looks good with three under 8 players in the line up.

Standing l to r: Lynley Ryan & Grant Ryan (coach), Hugo Brazier, Ryan Williams, Tynan Bull
Kneeling: Max Blyton, Shakel Irving-Frost, Will Knox and Tommy Ryan
Front: Thomas Brazier, Rave Brazier, Darcey Heagney, Cooper Wilson, Wahkeem Patterson & Brendan Landsborough

The junior League Tag team were unfortunate to lose, going down 14-12 in their grand final game.

(Editors note: A little research reveals the under 16s coached by Robert Rolff, took home the trophy 20 years ago in 1997.

were undefeated and played Walcha in the grand final which they also won.

If anyone has records of other wins please let us know.)

Cyclists up for the challenge

This October, Guyra Cycling Community is taking part in the Great Cycle Challenge to fight kids' cancer!

Because right now, cancer is the largest single killer of children from disease in Australia - over 600 children are diagnosed with cancer every year and sadly, 3 die every week.

Kids should be living life, not fighting for it.

And so we are riding and raising funds to support the Children's Medical Research Institute to continue their work into the prevention, diagnosis, treatment and finding a cure for childhood cancer.

We would love as many riders as possible to join us in this great event.

You do not have to be a regular biker, but maybe bike riding is something you would like to do occasionally. What better incentive do you need to get on your bike.

Guyra Cycling team would love all Guyra riders to join their team and set a target for the number of kms we can do for the month of October.

This is a great time to get started, to help lose a few kilos for the coming summer months.

The Guyra Cycling team will be organising some weekend rides in October to help

Kirsten Porter has taken up the challenge

people get motivated and to enjoy our beautiful spring weather in the New England.

If you have already registered for this event you can join the Guyra Team by simply logging in to the website and asking to join team.

As a Guyra team it would be great to showcase how many kilometres our community can pedal in the month of October

We don't want people to feel pressured to do big rides or to donate huge amounts of money, just every little bit helps this wonderful cause.

It is easy to sign up for this

event, simply go to www.great-cyclechallenge.com.au and register and then join the Guyra Cycling team.

If you have any problems or want to know more about this great event do not hesitate to contact Jenni on 0403080536 or Dave on 0403 468 598

If you are not a bike rider you can still make a donation through our fundraising page to give these kids the brighter futures they deserve.

Together, we can save little lives.

Young Life for Guyra?

Are you concerned for young people in Guyra? Recently a group of Guyra ministers met at Rafter's with Brendan Hatte, Armidale Area Manager of Young Life Australia.

Young Life is a mission community of Christ-centred people committed to reaching adolescent youth with the gospel of Jesus Christ. They work with churches, building relationships with young people by connecting with them in their world. They volunteer in schools to encourage and mentor young people and then lead youth clubs, youth

Rachel Souter

camp and more.

Young Life has a base in Armidale, with youth clubs in

Armidale, Uralla, and now, perhaps, Guyra.

Young Life leader Rachel Souter, who has completed the year long Abide training course, has a passion to connect with young people in Guyra. She would head up a Young Life team to work in Guyra.

A group of local supporters and interested people is forming. They plan to meet at The Hub, 6 pm, Thursday 14th September, for a BBQ and Information Evening. Interested people are welcome!

Big shed inspires songwriter

'A budding cattle king', was how Australian Singer Songwriter Colin Buchanan described Nicholas Morgan on his recent visit to Guyra.

A highlight of his visit was touring Nicks' property, 'Glenmorgan', looking over some of the improvements the Morgan family have made over the last 10 years or so.

The time with Nicholas and his family left an indelible mark on Colin, who was inspired by the design, investment and old-fashioned hard work that has gone into the property, in particular Nick's love of steel construction.

The ever-creative Colin returned to his motel that afternoon and penned a new song to celebrate one particular passion of Nicks'; his latest

Nicholas Morgan's passion for shed building is now the subject of a song written by Colin Buchanan

'great big shed'.

Describing it as 'the galvanised equivalent of the Sydney Harbour Bridge', Colin's latest song was hot off the press when he performed the

debut single (unbeknown to Nicholas who was in the crowd) that same night during his concert at PLC.

The crowd roared and a legend was born, all thanks to

the gift and talent of Colin, the shed-building inspiration of Nicholas and the extraordinary shed building talents of Cameron Peardon.

You can also experience the 'Big Shed' for yourself, at the Glenmorgan Angus Bull Sale, to be held on-site on Thursday 14th September at 1pm. There are 65 quality Yearling Bulls for sale on the day, a large majority of bulls are suitable for heifer matings.

For more information please check out the Glenmorgan Angus Website or contact Nicholas on 0427 636 121.

Encouragement award for Jack and Taylor

On Wednesday 23rd August, Guyra Central School attended AgQuip Field Day where students had the opportunity to not only engage with industry professionals in a range of areas, but also had the chance to check out a heap of new and exciting technology and innovations which are making their way into modern Agriculture.

The main highlight of the day was Jack Lockyer and Taylor Brennan both being awarded with an Encouragement Award for their outstanding submission into the Local

Lands Services Property Planning Competition.

This event was held last term at 'Waratah' Speckle Park, and required the students to assess the current farming system and compile a 3,000 word report suggesting possible recommendations to be taken by the farmer. This report was then judged against those completed by the other schools in the district.

Fit and fast

Improving student fitness and encouraging healthy lifestyle habits is a focus at Black Mountain Public School.

Through engaging in the Jump Rope for Heart Program, students have not only improved their skills, but also their fitness. Kane, from the Heart Foundation, visited our school to further excite our students about skipping.

Students learnt a variety of skills and tricks with a skipping rope. The coach enjoyed working with the students so much that he stayed through our lunch break to keep working with those keen to skip.

Leadership is another skill set that the students of Black Mountain Public School have every opportunity to develop and perfect throughout their time at the school. Whether it is being a

School Leader, a Sport Monitor, Star of the Week or through taking on one of the many roles of responsibility at the school, every student is surrounded by and encouraged to take on opportunities to be a role model and a leader. The school recognised the work of Felicity Bailey, Riley King and Henry Youman last week for their leadership in the school as Sport Monitors.

Wahkeem Patterson, Hollie Hoade, Jed Egener and Jaya Egener all represented our school proudly at the Regional Athletics Carnival last Friday. Wahkeem will go on to represent our school at the State level in the 100m sprint. All students are congratulated on their achievements and their hard work and persistence that enabled them to reach that height of competition.

Tennis champions

Aidan, Harry and Isabella Purvis travelled to Inverell recently to play in the Champions of Champions tennis tournament.

Throughout the year they have played in many JDS tournaments around the North West region to qualify for this prestigious tournament.

The tournament is played over two days with the top 8 players from the North West region taking on the top 8 players from the North East region, in each age division.

Some great tennis was played over the two days and all three kids should be very proud of their results.

Aidan finished in 16th position and showed he will be a strong contender for the under 12s age group next year.

Harry finished 5th in the

Aidan, Harry and Isabella Purvis

under 10 s age group and has been selected to play in the state championships held in Sydney later this year.

Isabella finished 7th in her

group and has shown she will be a force to be reckoned with next year as she is only 6 playing in the under 8 age group.

Dress ups, cooking and stories

Cody Mcleod, Ruben Jolly, Bridget Jolly, Elle Bavea and Eli Jolly.

The students of Ben Lomond Public School celebrated Book Week by dressing up as one of their favourite book characters. Captain Thunderbolt,

Big Bad Bruce's Bikie girlfriend, Elsa, The Puppet, The Rainbow Fish, a cowboy and Old Mother Hubbard all made an appearance.

The students spent the

day cooking a variety of dishes from Morocco.

The Jeannie Baker book 'Mirror' was the inspiration for the delicious meal enjoyed by all.

The book tells the story of a day in the lives of two boys and their families - one from inner city Sydney, Australia and the other from a small, remote village in Morocco,

North Africa.

These worlds couldn't be further apart, yet with the showing of the parallel lives of the two families, who are essentially the same.

They care for each other, they need to belong, to be loved by their loved ones and be a part of their community.

Weekly Wool Market Report

The downtrend of last week continued to flow when the wool market opened.

By the time the first day had finished some individual micron categories had been quoted up to 50 cents cheaper with only the better style fine and superfine types managing to hold their ground.

The second day of sales witnessed somewhat of a reversal of fortunes with the market rebounding, particularly for better style types.

The Northern region indicator ended the week 14 cents lower after dipping 30 cents on the first day and recovering 16 cents on the final day.

Wool carrying heavier vegetable matter continues to be heavily discounted as buyers chase the lower vegetable matter better style types. 41,261 bales were sold nationally for the week with a passed in rate of 10%.

Major buyers included Lempiere, Techwool and PJ Morris with all of them purchasing very similar volumes. AWTA test data for the first two months of the season is showing a 4.7% increase in the weight of wool tested nationally. AWEX auction statistics are showing an increase of more than double this at 11.4%

New yards for Ebor

Livestock and equine lovers alike will look forward to smoother-run events at Ebor's Sports and Recreation Ground, thanks to a \$30,000 grant to rebuild the ground's dilapidated cattle yards.

Member for Northern Tablelands Adam Marshall said the NSW Government funding, obtained through the Public Reserves Management Fund (PRMF), would help the Trust members completely transform the yards, replacing wood with steel to ensure improved welfare for stock and greater safety for those working in the cattle yards.

"This funding will enable the purchase of new steel fencing supplies, which combined with the Ebor community's incredible generosity and willingness to lend a hand, will stretch a long way," Mr Marshall said.

Mr Marshall said the upgraded yards would make the hosting of the annual Ebor campdraft event significantly less stressful.

"Ebor's Sports and Recreation Ground Trust members are passionate about driving their community forward and this funding will allow them to use gathered funds to improve infrastructure, instead of battling a war of attrition against ageing fencing," he said.

"The ground has already received major upgrades to improve amenities for visitors, with the trust receiving \$35,000 two years ago to rebuild a shower block and install new hot water for campers.

"With new facilities, fencing and an invigorated Reserve Trust, Ebor has a winning hand at the next major campdraft."

North West Athletics

On Friday 8th September, a group of primary students from Guyra Central School travelled to Tamworth to compete in the North West Athletics Carnival.

Congratulations to all students for trying their best and showing great sportsmanship!

Most of the students had a very successful day with Ellie Mitchell coming 1st in her 100m, 200m race, 1st in high jump and 3rd in long jump. Kyiesha Landsborough came 3rd in the 1500m

event. Shanae Bull came 2nd in her 100m event and 3rd in her 200m, Oscar Atkin 2nd in 11 year old boys 200m race, Archie Dowden 1st in 1500m and 3rd in the 1500m event and Cooper Wilson came 1st in discus and shot put. The senior girls relay came 3rd; the team consists of Ellie Mitchell, Kyiesha Landsborough, Shanae Bull and Jaymie Donnelly! These students will be off to State Athletics to be held in Sydney in October.

Fathers Day breakfast

On Wednesday 30th August, St Mary of the Angels School hosted their annual Father's Day breakfast.

The students, joined by Dad's and Grandad's, enjoyed breakfast provided by the P&F Association.

We hope all of our Dad's had a very Happy Father's Day. To your child, you will always be one of the most magical and special people in the whole world.

For those of you who were able to attend this morning's BBQ breakfast, thank you for taking time out to share this lovely time with your child.

Kids put smiles on faces

On Monday children from the Guyra Preschool and Long Day Care Centre attended an excursion to the Guyra MPS.

The Guyra MPS invited the pre-schoolers to attend as research project into ways they can improve the resident's lifestyles and wellbeing.

The children and educators from the Pre-school joined together with residents and staff of the MPS to make bead necklaces and bracelets and pipe cleaner creations. They also enjoyed some 'Spring' colouring in, story reading and played with the centre's new magnetic blocks.

Both Preschool Educators and Staff of the MPS said the day was excellent and was thoroughly enjoyed by all. Preschool

Preschool Supervisor

Ruth Evers and Keith Portas

Amanda Campbell said this was just another example of how the centre strives to engage with the local community.

"Today was nothing short of brilliant," Amanda said. "The preschool staff and

children will plan more excursions to the MPS, hopefully on a monthly basis so the children can bring some fun, laughter and smiles to the hospital more frequently."

Roadwork to commence on Wandsworth to Ben Lomond road

Armidale Regional Council will commence work on the Wandsworth to Ben Lomond road this month.

"The work involves re-sheeting a significant stretch of the well-used road - ensuring safer conditions for road-users," said Mark Burgess, Council's Program Leader - Roads &

Drainage Maintenance. "Gravel production is well underway for the re-sheet which will include rehabilitation of roadside drainage systems as well as the application of a 100mm layer of new gravel along an 8.6km section of the road." Work on the road is expected to start in two weeks

time and last for approximately five weeks - weather permitting. Once underway, road users are asked to expect delays, follow road side signage and be mindful of the safety of the team undertaking the work and other road users.

Gazette Footy Tipping

As has been clear for some weeks, Tegan is the clear winner of our Celebrities. *Congratulations!* This time there is a prize of a half page ad in the Gazette.

The silver medal goes to Josh, who scores a quarter page ad. The bronze medal was won by Beth, a pretty pink 4th place ribbon for Sue and the Wooden Spoon goes to Soley, who took his eye off the ball in June and July to concentrate on other figures. A consolation prize might be found for him in the form of a Spanish or Barossa liquid.

Our Locals also have a clear winner - Mailman has come up trumps and has \$100.00 to spend on his lovely wife! PHJ won the family tussle over The Ref to claim second place and a prize of \$50.00. We have two Locals sharing the Wooden Spoon, so The Saint and Carmel will have to share that prize of \$20.00.

Young Darcey deserves a mention for such great tipping at such a young age. He shared 3rd place with John.

Hard to believe the tipping season is over - we hope to see you all again next year.

Men's Bowls

There were two Club Champion's games played over the weekend. Firstly on Saturday September 2nd a Semi Final of the Club Triples was played between John Jackson, Geoff Reeves, Wayne Reeves and David Wilcox, Murray Bourke, Paul Johnson. John and his team bolted out of the blocks opening a lead of 11 shots to 2 shots by end 8. David and his team set about turning the game around. This they did and by end 21 the game was even at 17 shots all. This called for another end to determine the winner and after the end was played John and his team emerged the victor 18 shots to 17 shots after 22 ends.

The second game was played Sunday September 3rd. This was a Semi Final of the Major/Minor Three Bowl Pairs. David Wilcox and Paul Johnson played Dan Kennedy and Graham Starr. As the game was on Saturday Dan and Graham opened a handy lead by end 10 leading 17 shots to 6 shots this left David and Paul again playing catch-up. They managed to close the gap but ran out of ends giving the game to Dan and Graham 26 shots to 22 shots over 25 ends.

Club Championships set down for this weekend:

Saturday September 9th: Start: 12.00pm. Starter and Umpire: Robert Walls.

FINAL MAJOR/MINOR THREE BOWL PAIRS: Dan Kennedy and Graham Starr to play Steven Sole and

Robert Walls.

After the AGM of the Bowling Club the following persons were elected to the Selectors and Match Committees.

The Selectors are: Cameron Peardon, Scott Campbell, Phillip Kliendienst.

The Match Committee are: Cameron Peardon, Robert Walls, David Wilcox.

I have been asked to let any Bowler wishing to purchase a Travelling Bowlers Shirt they are to let Betty-Ann know, as the need of ten shirts are required for a re order and there is only nine names on the sheet. They are wonderful shirts and promote Guyra Bowling Club well so don't be shy order one to-day don't delay ring Betty on 67791499 during working hours.

Casper's grand final bound

The Guyra Caspers 1st and 2nd grade teams have booked themselves a spot in this year's Armidale District Football Association grand final on the 16th of September, after both sides upset TAS in their major semi-final games played on Saturday afternoon.

The second grade game was a very closely contested game, with both sides having opportunities in the first

half and neither side able to find the back of the net.

The second half was much the same, but it was Guyra who found the back of the net midway through the half through a firing left footer by Tom Smith. They managed to hold off a late charge by the TAS team to take out an excellent 1 nil win.

In the first grade game, Guyra had their first win over TAS all season with a

very convincing 3 nil win. The Caspers knew they had to come out firing and that's what they did, scoring their three goals in the first 25 minutes of the game.

Matt Simpson was the first goal scorer with his best goal all season, which was followed by a bomb by coach Henk Bus and then a piece of individual brilliance by Ben Lennon.

Guyra held on for victory,

despite a late charge from the TAS team.

The win came at a bit of a cost for the first graders, who will be sweating on the fitness of Brodie Harman who has an ongoing knee injury. They will also be hoping for a good outcome after Captain Jake Ellis was sent from the field on Saturday and will be hoping he avoids suspension.

Girls go down in close game

>>> from page 1

Coach Tara Mendes said that she always knew it was going to be tough, but it was a good and fair game and the girls should be proud of themselves.

"Ellie scored in the last two minutes and then converted, and we were really close," Tara said.

"I think if we had had another two minutes we might have won."

"The coach is only as good as the players and all credit goes to the girls,"

"They were minor premiers so they should be proud of themselves."

"I hope to see the girls back next year and hopefully we will go one better."
