## Plans unveiled for new look Bradley Street

The Guyra community can now share their views on the proposed plans for the upgrade to the main street of Guyra.

The concept plan for the \$2.7m main street project includes full reconstruction of the road pavement, footpath paving and new kerb and gutters. Building on community engagement the current design incorporates two pedestrian crossings with a central

refuge which will assist with traffic calming. It also includes street landscaping, bins, seats and new street lights.

The current plan also reflects strong community feedback with the proposed nose-in angle parking and a long mid-block shared zone deleted from the final plan following contributions from the Council's former Access Advisory Committee and the

Guide Dog Association.

The project represents a real opportunity for local residents and businesses to spruce up the main street to give it a new life and energy. Businesses will have an opportunity to repaint their shopfronts with paint supplied by Council, in keeping with a new colour scheme to be suggested by a colour consultant.

The proposed plans and

feedback forms are currently on display at High on Bikes/High Country Wholefoods in Bradley St,

Council project staff will be available in the shop to answer any questions and take on suggestions from 11am to 1pm each day until Friday November 10th.

Plans and feedback will also be available via Council's online engagement hub at [your-say.armidale.nsw.gov.au](http://your-say.armidale.nsw.gov.au)

# Cheering on the Black Dog Ride

They were just passing through, but there was a special welcome for one of 35 motorcycle riders who passed through Guyra last Tuesday. Jan Claridge waited patiently with daughter Jenny Rogers to greet her son-in-law, Jeff Castles.

Jan and Jenny were there with signs and streamers to provide support and encouragement to Jeff who was among the Queensland contingent of the Black Dog Ride.

They rode through Guyra en route to Tasmania where they were to join with others from across Australia. The Black Dog ride raises awareness for depression and suicide prevention and this year the focus is on "even heroes need a hand".

It's all about raising awareness for defence and emergency workers who statistically may experience the trauma of mental illness at twice the rate of other Australians. The team from Black Dog Ride is fundraising to provide these heroes with mental health first aid training.

Every year in Australia, one

Jeff Castles with Jenny Rogers

million adults and 100,000 young people live with depression. Around 50 percent of people living with depression won't seek treatment and over 3,000 Australians will take their own lives this year.

You can support Jeff and the rest of the team by making a

contribution, great or small, to his fundraising page: (<https://blackdogride.giveeasy.org/campaigns/qlds-ride-to-tassie/>)

If you or anyone you know needs help contact Lifeline on 13 11 14.

## Funding for life saving defibrillators now available

Players and spectators across the region will soon be able to participate and watch their local community sporting matches with a greater sense of security, thanks to a new NSW Government funding program to make Automated External Defibrillators (AEDs) easier to purchase and have on hand than ever before.

Applications from local clubs are now open in the government's Local Sport Defibrillator Program to assist with the cost of purchasing these life-saving devices. The program will fund up to 50 per cent of the defibrillator cost, along with training and maintenance support for club members.

Member for Northern Tablelands Adam Marshall said that the first moments of cardiac arrest are vital, and quick action can improve

survival rates by up to 75 per cent.

"For every minute that passes before defibrillation begins, a patient is 10 per cent less likely to survive a lethal cardiac rhythm.

Mr Marshall encouraged all local sporting groups across the Northern Tablelands to apply for grant funding under the Local Sport Defibrillator Program.

The scheme is targeting community sports clubs, but applications from licensed sporting clubs and sports organisations associated with schools, churches, universities, and councils will also be considered.

Applications are now open and close on Wednesday, December 20.

# Stop Playing Renovation Roulette

November is National Asbestos Awareness Month and Armidale Regional Council is urging homeowners, renovators and tradies to take the warnings about asbestos seriously when renovating or maintaining homes and learn what they need to know to manage it safely by visiting the website [asbestosawareness.com.au](http://asbestosawareness.com.au)

Chief Executive Officer Peter Dennis said that Australia was among the largest consumers of asbestos-containing materials (ACM) in the world with asbestos used in the manufacture of a broad range of building and decorator products that can still be found in 1 in 3 brick, weatherboard, fibro and clad Australian homes.

"It can be in any home built or renovated before 1987; lurking under floor coverings including carpets,

When Renovating, Go slow - Asbestos - it's a NO go!  
Visit [asbestosawareness.com.au](http://asbestosawareness.com.au) - To learn what you need to know!

linoleum and vinyl tiles, behind wall and floor tiles, in cement floors, internal and external walls, ceilings and ceiling space (insulation), eaves, garages, roofs, around hot water pipes, fences, home extensions, garages, outdoor toilets, backyard and farm

structures, chook sheds and even dog kennels," Mr Dennis said.

"Asbestos was used everywhere! So, if you're a homeowner, renovator or tradie, and you don't know the risks, the products to look for or how to manage asbestos

safely, you could be risking your life and the lives of others if you disturb asbestos-containing materials and release fibres into the air that can be inhaled."

If well maintained and left undisturbed asbestos is unlikely to pose a health risk. However, if asbestos-containing materials are disturbed and fibres are released they can cause asbestos-related diseases including incurable malignant mesothelioma which can develop between 20-50 years after inhaling asbestos fibres. The average survival time is 10-12 months following diagnosis.

"One of the greatest health threats to families and tradespeople is asbestos fibres during renovations and maintenance so if you're a renovator or a tradie, when it comes to asbestos Go Slow!"

# New laws apply to surcharges

Guyra businesses may face fines if they do not adhere to new laws surrounding credit, debit and prepaid card surcharges.

Since September 1st, every business across Australia is banned from charging customers excessive surcharges for using certain types of EFTPOS, Mastercard, Visa and American Express cards to make payments.

The excessive surcharg-

ing ban has applied to large businesses since September last year and now extends to all businesses that are either based in Australia or use an Australian bank. The ban does not affect businesses that choose not to apply a surcharge to payments.

The purpose of the ban is to stop businesses from charging payment surcharges that are excessive. That is, from charging a

customer more than what it costs the business to process the payment.

The ban restricts the amount a business can charge customers for using an EFTPOS (debit and prepaid), MasterCard (credit, debit and prepaid), Visa (credit, debit and prepaid) and American Express cards issued by Australian banks.

Businesses are not allowed to add on any of their own internal costs when calculating what surcharge you will charge customers. The only costs businesses can include are external costs charged by their financial provider.

Regional Manager - New England North West, NSW Business Chamber Joe

Townsend said that business can only recover costs they are charged.

"This adds a burden onto the business as different cards charge different amounts," Mr Townsend said.

"Businesses need to be proactive, contact their institutions and confirm what their cost of acceptance is."

The Australian Competition and Consumer Commission (ACCC) will investigate consumer complaints and take enforcement action where necessary.

Penalties are \$2,520 for an individual, \$12,600 for a body corporate and \$126,000 for listed companies.

## Guyra Sheep & Lamb Sale Market Report

**November 1st** - Lamb numbers increased and the quality was mixed. Trade weights were best supplied and there were several pens of heavy and extra heavy lambs on offer to the usual trade and export buyers. Light Merinos were also well supplied.

The market trend was dearer with prices lifting \$10 to \$15/head over the two week period. Light lambs to restockers sold from \$51 to \$104 and 2 score Merinos to processors ranged from \$73 to \$113/head. Trade lambs ranged from \$118 to \$151/head. Heavy lambs

ranged from \$144 to \$171 and extra heavy lambs reached \$187/head. Hoggets sold from \$82 to \$138/head.

Mutton numbers also lifted and the quality was very mixed. Light and medium weights ewes were best supplied along with several pens of heavy crossbreds. All sheep sold to a stronger trend.

Light ewes started at \$50 and sold to \$105/head for a long skinned article. Heavy crossbred ewes sold between \$120 and \$145 and Merino wethers reached \$132/head.

## Weekly Wool Market Report

The headline market indicators hit new record highs this week with strong gains across the board. Good gains on the first day of sales were followed up with some smaller gains on the final day. All of the Merino micron indicators from 18 to 23 now sit at levels inside the top 99% of prices received in the past 20 years. Only the 19.5 micron indicator along with the Merino Carding indicator actually set new record highs this week however it is the strength of the market as a whole pushing the headline indicators higher. 44,522 bales were sold nationally with a low passed in rate of 2.2%. Major buyers included Seatech, Techwool &

Tianyu. Forecasted national offerings for the next three weeks look set to fall behind the corresponding period last year for the first time this season. AWTA test data for July to October is showing a 7.7% lift in the weight of wool tested nationally, whilst AWEX auction data is showing a 9.9% increase in bales offered over the same period. Forward market prices are understandably struggling to keep pace with the physical with a 60-90 cent discount being applied into the Autumn months.

## Beef bonanza

**O'Connor Catholic College Team - l to r. Zeke Johnstone, Nick Graham, Kareena Dawson, Eli Layton, Megan Tisdell, Savannah Roberts, Front Tom Smith**

Over 900 school students took part in the Upper Hunter beef Bonanza in Scone October 27th to 29th. O'Connor Catholic College entered two steers and the junior Parading and Judging events, including the meat judging.

Guyra student Tom Smith was the winner of the 16 years Junior Judging and Reserve Champion Judge overall. He was also third

in his cattle paraders class and won a scholarship to the Nationally recognised Tocal Beef Judging school.

Other local students to taste success were Nicholas Graham, who won his heat in 16 years Junior paraders, and Savannah Roberts who was second in her 15 years cattle paraders class and fourth in the 15 years Junior Judging

# Open Gardens - "Old Belmont"

The house at "Old Belmont" dates from the Edwardian period, and is nestled in a lovely setting between two hills overlooking the valley in which the Booroolong Creek rises. This is, in fact, the third house to be built on the property, as Dorothy Lockyer, in "Our Mountain History" tells us that in 1873 James Thomas Bell, at the age of 19, selected the land and built a bark hut to the north east of the existing house. He later built a pise house which was described by a roving journalist in 1898 as "home-like and unpretentious, with touches of refinement here and there which testify to the taste and tact of a gentlewoman's rule". The present house was built in the early part of the 20th century. Some of the old fruit trees described in the 1898 newspaper article still exist in the paddocks, but the "magnificent orchard, covering seven acres, and showing 700 fruit-bearing trees" has long since gone.

white flower heads in Spring.

The older part of the garden is mostly of the cottage type, with perennials and roses, crab apples, viburnums, camellias, rhododendrons and maples. The drystone walls and hedges give it character and structure and there is a newer section with a large water feature and waterwise plantings. This is best viewed from the verandah, so please feel free to sit there with your morning or afternoon tea and see the garden from a different perspective.

# Successful open day

**Back l to r:** Jim Martin, Bill Hodder; **Middle:** Jennie Sarcia, Evelyn Martin, Ray Weston; **Front:** Bob Hockley, Lois Mitchell, Peter Straw.

The Guyra Masonic Lodge held a successful Open Day on Saturday, with twenty five people going through the building.

There were many favourable comments about the beautiful furniture and the way in which the Lodge members have carefully preserved the building and its contents and the sensitive way in which it has been restored and improved.

There were enquiries about membership and it is hoped that the Lodge may gain a member from the day. While the Lodge is not a service club, it does suffer from the same problem with regard to gaining new members.

Should anyone wish to know more about Freemasonry in Guyra and be interested in joining, please contact Bill Hodder on 6779 1240, Ray Weston on 0437 047 889 or Peter Straw, 0402 111 028.

# Fantastic day at footy carnival

On Friday 27<sup>th</sup> October, 23 students from St Mary of the Angels competed at the Diocesan Touch Football carnival in Inverell.

After weeks of fun and practice, our touch football teams were well prepared and extremely eager to put their new skills to the test.

Our younger team, although much smaller than their opponents, held a brilliant defence line in every game. There were moments of brilliance where they escaped to score some great tries.

Our senior team won three games, drew one game and lost another to finish on twelve points in their pool, one point behind the leaders. As always, our students displayed wonderful sportsmanship and

## Community Consultation Consultation to commence on Guyra Main Street Upgrade proposed plans

The Guyra community can now share their views on the proposed plans for the upgrade to the main street of Guyra.

From Monday 6 November 2017 to Friday 1 December Council will be consulting with the community to gather feedback through a variety of engagement opportunities from a week long display in the main street to online discussion forums.

The concept plan for the \$2.7m main street project includes full reconstruction of the road pavement, footpath paving and new kerb and gutters. Building on community engagement the current design incorporates two pedestrian crossings with a central refuge which will assist with traffic calming. It also includes street landscaping, bins, seats and new street lights.

The proposed plans and feedback forms will be on display in the High on Bikes shop on Bradley Street from Monday 6 November until Friday 1 December. Council project staff will be available in the shop to answer any questions and take on suggestions directly from 11am-1pm during the first week from Monday 6 November to Friday 10 November.

Plans and feedback will also be available via Council's online engagement hub at [yoursay.armidale.nsw.gov.au](http://yoursay.armidale.nsw.gov.au)

# Talking leadership over lunch

Student leaders from Black Mountain, Guyra Central, Bald Blair, Ben Lomond, Ebor and Chandler primary schools attended the Primary Leadership Luncheon last week.

The annual Primary Leadership Luncheon at Rafters brings together small and not-so-small primary school leaders from around the district.

The event is an opportunity for student leaders across our schools to talk together about their leadership roles and their work in their schools.

Mr Adam Marshall MP attended the event and spoke with students about leadership. He expressed the importance of remaining true to oneself and having the courage of your convictions when leading others. He encouraged students to lead by example, giving examples to students of how a leader's actions can have a larger impact than their words.

## Men's bowls

Saturday November 8th saw a number of Club Championships contested. Firstly an Open Singles match between Barry Campbell and Geoff Reeves. Right from the first bowl played both players meant business with Barry opening the contest first but Geoff not to be denied fought back and the scores went shot for shot but alas Geoff hit the wall and sat on 17 shots for 8 ends allowing Barry to show his class and open a handy 30 shots to 17 shots lead.

Geoff won the next three ends but Barry's lead was too much. Barry closed out the match winning 31 shots to 22 shots over 34 ends. The next game was a Major Singles contest between David Wilcox and Steven Sole. This was always going to be a close game and the scores were testimony to this. The scores were level on no less than five times. Steven at times managed to open a lead only to have David close the deficit. At 24 shots all by end 30 it was going to be a tight finish. David managed to win four of the last five ends taking a hard fought game 31 shots to 26 shots over 35 ends.

The Club Pairs game was between the team of Boyd Stanley and Scott Campbell and the team of Ian Jacobs and Mallie Walls. Scott and Boyd never let Mallie and Ian settle into the game and as a result Scott and Boyd closed out the game 19 shots to 12 shots over 21 ends. The Club Fours between Dan Kennedy, Col Stanley, Greg Mitchell and Graham Starr played John Jackson, Scott Swain (sub), Paul Johnson and Robert Walls.

For seven ends the game was there to win, Dan and his team managed to settle into the game first with consistent bowls from Greg, try as they may John and

his team were unable to out draw Dan's team and as a result Dan and team went on to take victory 30 shots to 13 shots over 21 ends.

Club Championships set down for Saturday November 11th. Start: 1.00pm. Starter and Umpire: Steven Sole.

Club Pairs: Chris Kliendienst and Partner to play Phil Kliendienst and Peter Brodbeck. Open Singles: Mallie Walls to play Barry Presnell marker Steven Sole.

Wednesday Bowlers the sheet is on the notice board, names by 12.30pm for a 1.00pm start. All welcome Lady Bowlers and intending bowlers. Mufti Dress. If you would like to play and don't have any bowls then don't despair the Club can supply you with a set to play with.

## Men's golf

In last week's Midweek results, Full House came out on top with 66 points closely followed by Caspers and Who Cares on 65 points. It has been noticed that not everyone has been writing their scores in or paying their money, these player's scores are not being counted.

On Sunday a 4BBB par for Ducats trophy was played and the winners were Michael and Peter Jackson with runners up being Warren McCowen and Pat Grills. Nearest to the pin was P Jackson on the 7th, M Jackson on the 10th and B Simpson on the 18th.

Next Sunday is a 4BBB stableford for the Regional Bank trophy with the Soccer Club ambrose being played on November 19th. The NEDGA pennants will be played in Armidale on December 10th. A sheet is on the board for anyone interested in playing.

## Win for cricket girls

Thursday the 26th of October, the Guyra Central School Open girls' Cricket team played Duval High School on the Guyra Central School Oval.

Losing the toss and getting to bat was the better option for us with Colleen Pearson and Gemma Williams opening our batting and Sarah Rosten going first drop. Colleen went out scoring a massive 90 runs not out, Gemma scoring 5 runs and Sarah scoring 34 giving us a total of 194 including extras.

Our bowling was fantastic, with Sarah Rosten taking 1 wicket, Madi Morgan taking two wickets, Colleen taking one and Ashleigh Richardson, Steph Cameron and Hannah

Gordon taking one catch each. Making it to the next level we then travelled to Gunnedah to compete against Gunnedah. We had Sarah Rosten go out and score 31, Colleen Pearson scoring 1, Eva Knox scoring 1 and Steph Cameron scoring 11 giving us a total of 61 including extras.

After being all bowled out we went out to bowl with Madi Morgan getting three wickets and Steph Cameron getting one catch. Overall it was a great two days and we would like to thank the umpires and Mrs Linley Ryan for her coaching, support and transporting all the girls to Gunnedah.

## Memories and a hole in 'onesies'

Guyra golfing ladies have just returned from our annual golf trip; to Bellingen, Bonville and Urunga Golf Courses.

This year celebrated 20 years of the golfing getaway where members recalled memories of past trips.

Winners of the 4BBB Stableford aggregate at Bellingen were Wendy George and Wendy Jackson on 68 points and runners up were Kath Varley and Meg Simpson on 63 points.

Winners of the 4BBB Stroke at Bonville were Pip White and Julie Walker with 68 net and runners up were Pam Youman and Karen Oehlers on 70 net.

Winner of the Stableford, in conjunction with the Urunga Golf Ladies, was Joyce Betts in Division 2 with 34 points. Jenny Rogers won the separate Guyra competition on 36 points and runner up was Belinda Lenehan on 34 points.

Next week's golf is a Stableford event and the starter, at 9:30 am, is Meg Simpson.
