## \$24,000 lands in the hands of local groups

Community groups found plenty to cheer about last Tuesday, with Regional Australia Bank handing over \$23,869.88 to the local community at the

Community Partnership presentations event held at the Guyra Bowling Club.

Now in its tenth year, the Community Partnership Program continues to grow from

strength to strength, with the Guyra total up around \$4000 on last year.

This year the money was divided amongst 28 groups who participate in the pro-

gram, which allows bank customers to pledge their support for a group or organization close to their heart.

Regional Australia Bank then calculates the average annual balance of all supporters' accounts and donates 1% of the total to the cause on the customers' behalf – all without costing them a cent.

Can Assist Guyra was the big winner with a boost of \$4539 to carry on their work providing financial assistance to local families affected by cancer. They have been with the Community Partnership Program since

its inception ten years ago.

Can Assist President Wendy Jackson said that Can Assist is all about locals working for locals and the money will go a long way to helping local people in their time of need.

In the past the donation money has been used to help cancer patients and their families with bills, accommodation costs, transport to and from their treatment, medication and fuel cards.

Aside from celebrating 10 years of our Community Partnership Program, 2018

also represents the 50th anniversary of Regional Australia Bank. And for us, the greatest gift is the knowledge that the bank has been able to contribute more than 2.5 million dollars to deserving community groups over the last few years through the Community Partnership Program.

“The Community Partnership Program is just one of the ways in which we assist our customers and communities,” said Kevin Dupé, Regional Australia Bank CEO. “Regional Australia

Bank is proud to continue delivering the Community Support Program in 2018, enabling it to continue enhancing the quality of life and a strong sense of community for the regions it serves.

In addition to the Community Partnership Program, Regional Australia Bank also gives 5% of its net profits back to the community through sponsorships to local clubs and community organisations, as well as contributing to regional infrastructure projects.

Kayla Hutton and Janelle Gaukroger made the presentations to local groups. Cameron Peardon from the Guyra Bowling and Recreation Club said they will use their \$2519 to further upgrade facilities at the club. Last year's donation was spent on a set of outdoor tables and chairs for the picnic area

Aimee Hutton from Guyra Central School P & C was happy to accept \$1464. Last year they spent their money on resources for students, shirts for sporting teams and agriculture students

Can Assist President Wendy Jackson welcomed an extra \$4539 to support local cancer sufferers and their families

Dot Every and Don Stride welcomed funding of \$933 for the Ben Lomond War Memorial Hall, which will go towards improvements to the memorial room at the hall

# Drought busted for a moment

Time out! A chance to re-set! A drought buster! Call it what you will but Friday 10th August exposed a new, dramatic side of the New England North West ABC radio personalities who normally manage and report the activities of regular residents of the region - but not so on Friday!

From 4pm students of local schools were invited to Ben Lomond Hall to perform, to participate and then to witness the adaptation of "Little Red Riding Hood" as presented by Tamworth's ABC team.

The students happily lined up to lead the well-known "If You're Happy and You Know It", prior to joining Russell and Toby Bauer as they played some catchy, inviting melodies that rang familiar to the adults and engaged the children in voice, movement and laughter.

Enter 'Little Red' Kelly, clad in a red cape, skipping along

Ben Lomond students enjoyed being part of the performance

to see 'Grandma' Jennifer, guided by the students, Anna 'Wolf' and Caitlin and Elle, the 'SLOPigs'

The audience enthusiastically engaged to participate with the on stage performance, and undoubtedly determined the ultimate outcome of the story (or not.)

It seems everyone worked up an appetite, so the sausages cooked to perfection by Russell Roberts and salads

prepared by Guyra IGA and all generously supplied by the ABC team, were most welcome. Some extra 'lucky door' gifts were also made to some of the adults.

The event was filmed for ABC's coverage of aspects and impacts of the drought on rural children, for the "Behind The News" television segment which is broadcast weekly and regularly viewed at schools.

What a splendid gesture, thank you Ben Lomond School Principal Kirsten Reim and thank you 'Aunty ABC'. The drought was busted for the moment. We took time out, we laughed and we did re-set!

Thanks for the vision, for taking this opportunity, adding your creativity and supporting us with your generosity.

Beth White

# Guyra students part of largest school team in City to Surf

SIXTEEN Guyra students were among the largest school group in the City 2 Surf fun run in Sydney on August 12th, achieving personal goals. The students were part of the team of 272 runners from The Armidale School who completed the event which, with almost 70,000 finishers, is the largest fun run of its type in the world.

The largest school team in the world's largest fun run by a country mile, the northern students certainly made their presence felt along the 14km route.

Those taking part from the Guyra district were Lucas Atkin, Samuel Atkin, Jack Gellie, Tom Gellie, Gane Harbutt, Lettie Kerr, Cooper Mills, Daniel Morgan, Stirling Munsie, Frank Perrottet, Isabelle Perrottet, Sam Skipper, Sarah Skipper, Henry Starr, Chloe Vanderwolf, and Nicholas Ward.

The TAS team raised the profile of Batyr which seeks to normalise discussions about mental health, particularly in young people.

"Almost half of TAS students from Years 6-11 entered, and that huge interest in being part of something that is so much bigger than

Guyra district students who took part in Sydney's City to Surf footrace as part of The Armidale School's record team included: Samuel Atkin, Lucas Atkin, Nicholas Ward, Cooper Mills, (middle) Sarah Skipper, Tom Gellie, Frank Perrottet, Sam Skipper, (second row) Isabelle Perrottet, Chloe Vanderwolf, Gane Harbutt, Jack Gellie, (front) Lettie Kerr and Daniel Morgan

just themselves says something about their courage and willingness to pursue a personal challenge," TAS organiser Jim Pennington said. "It's a great credit to them

that a school from 600km away from the city, can end up fielding one of the largest teams in a world-recognised event."

## Have your say...

### Price hike outrageous

The Guyra waste transfer station has dramatically increased their waste disposal fees for the new financial year.

To now take a trailer load of green waste will cost you \$12, before it was only \$5. A large trailer load will set you back \$54!

I wonder how council can justify the outrageous price

### Have your say

Email:

[news@gala.org.au](mailto:news@gala.org.au)

Mail: PO Box 170

Fax: 67792069.

increase. As a regular user of taking green waste to the Waste transfer station it is now becoming cost prohibitive for me and no doubt a lot of other people. I can certainly see more rubbish being

dumped on the roadside because of these exorbitant fees.

A lot of other regional councils don't charge to dump green waste. It is shredded and mulched and sold on. I can understand charging for household items and e-waste, but I am hard pressed to see the justification of the price increase for green waste.

Hopefully council can reconsider the price gouge.

**Neale Vickery.**

# Young Rotarian steps up

Briana Merritt has stepped up as the newest, and youngest, member of the Rotary Club of Guyra.

Briana joins her father Rod as a member and will be assisting him as the club's Youth Director.

While she may give away more than a few decades in age to most of the members, she is hoping to bring fresh ideas and a more youth oriented focus to the club.

Joining Rotary was a logical step for Briana, who says that she wants to give back for some of the great opportunities that the club provided for her over recent years.

"I want to give something back to my club because they supported me and helped me grow from a shy young girl to a more outgoing person who knows what she wants," Briana said.

"Perhaps the best thing I did was become an exchange

student and travelled to Switzerland which was such a great experience I really felt the need to share those opportunities with other young people."

"I think it helps to have a younger aspect to the club and I think I can bring some different ideas and also help connect the club with other young people. One of the things I want to do is a youth expo to get past students who have participated in Rotary Youth Programs to speak about their experiences and how it has helped them in their careers."

Briana has already shown she is prepared to initiate projects and has set up a local collection point in support of Doing it for our Farmers, a Tamworth based group who are supporting farmers during the drought.

"I found it quite hard seeing farmers dealing with the

drought, especially around Tamworth and wanted to do something," Briana said. "As an agricultural community I thought we needed to help in some way.

"A lot of farmers are putting everything into their stock so the idea is to assist with some of the personal

stuff like toiletries, non-perishable food and pet food that will be distributed to farming families."

A collection point has been set up at the Guyra Bowling Club or you can ring Briana on 0477 041 298 to find out more or arrange collection.

Briana Merritt has set up a collection point at the Guyra Bowling Club with donated goods being distributed by Doing it for our Farmers

## DOING IT FOR OUR FARMERS

Doing it for our Farmers is a group of volunteers dedicated to raising awareness and supporting our local farmers who are experiencing tough times in this drought. A lot of farming families are going without the daily necessities to redirect the money into hand feeding their livestock. They are currently running a donation drive throughout NSW and growing into QLD.

The Rotary Club of Guyra want to help and are seeking donations of non-perishable foods, toiletries and pet food that will be distributed to farming families.

Our local collection point is:

**The Guyra Bowling and Recreation Club.**

There are tubs at the club for your donations.

Anyone that can't get to that collection point can ring

**Briana Merritt on 0477 041 298 for collection.**

Your support is greatly appreciated.

Let's get together and support the farming families in need!!

# Real Talk at St Marys

The growing availability of technology and the internet to children, means that the discussion surrounding the positive and negative impacts is becoming an important conversation to have. St Mary of the Angels Primary School recently facilitated a group named RealTalk to run a workshop for students. It unpacked themes such as self worth, personal identity, good decision-making and cyber safety.

Parents were also invited to an information evening to bring them into the conversation. RealTalk aimed to educate, encourage and equip those adults who are helping young people to navigate their way through life, relationships and the internet.

Class teacher Molly Hayes said that the experience left a lasting impression on all students. "The presenters related hard discussion topics back to the

Brooke Newberry took part in the workshop

human person and gave real life, relatable anecdotes," Ms Hayes said. "At the end of the day the children left knowing that at the heart of healthy tech use is an understanding of life as a gift and seeing each and every

person as being created for love, respect and dignity.

"All together it was a very informative and educational process and we thank RealTalk for taking the time to come to our school."

# Food pantry extends access

The globalcare Food Pantry provides access to low cost pantry food, bread, vegetable and fruit for low income earners who have a Centrelink or Healthcare card.

The Guyra service operates from the Northwest Church at 66 Llangothlin Street.

The pantry is open on Fridays between 1pm and 3pm and is now extending the service to assist farm families who may need some extra assistance during the drought.

Farmers will not need to have a Centrelink card, however will need to provide their ABN to prove their eligibility.

Around 80 families are registered with the service, and between 10 and 20 visit each week.

The Guyra Food Pantry will now be available for farmers who need a helping hand

Ruth Stace said that farmers are more than welcome to make use of the service or simply to call in for a chat and a cup of tea or coffee.

If you want to find out more just call in or contact the North West Church

All purchases are cash only.

# Back from the outback

Liz and Tony Looker were overwhelmed with the generosity of the Guyra community

Overwhelming support from his home town of Guyra has helped Tony Looker to take fundraising honours at this year's Drover's Run Outback Adventure, raising much needed funds for the Westpac Rescue Helicopter Service. Tony's individual total of \$15,000 helped the overall total raised to top the \$70,000 mark.

Seventeen teams took part in this year's event, receiving a big send off in Tamworth before setting off on the journey and covering 3500km across western NSW and Qld before completing the loop back to Tamworth. Despite the challenging conditions, they were extremely grateful for the support they received along the way.

Tony said that the nine-day event was a great experience

and also opened his eyes to just how bad the current drought is and also how important the helicopter service is in these isolated areas.

"As a fencing contractor I know how tough it is out there at the moment and yet so many people got behind me and I was just blown away," Tony said.

"Sometimes it was just little amounts and others dug a bit deeper, but so many opened their wallets and gave what they could and I was humbled to get so much support. Liz and I are both overwhelmed at the generosity shown by everyone."

Tony and Liz would like to thank everyone who helped them especially their sponsors Elders, Lenehan Contracting, Wattletop (Lock Rogers), Sutto's Royal Hotel,

Ramage Engineering, NT & NE Saunders, Jeremy Cox Constructions, Spray Pave Tamworth, HMJ Pty Ltd, Barry Grills, Glen Indus-

tries, Undamine Industries (Peter and Karla McPhail), Guyra Fuels, Fourways and Guyra Milling.

Tony received a trophy as the highest fundraiser

We have been overwhelmed by your generosity  
... this year's Drover's Run has been an amazing experience.

**THANK YOU TO ALL WHO SUPPORTED US**

*Tony & Liz Looker*

## Probus Notes

At our monthly meeting this week our guest speaker was Debbie James, a Forensic Scientist. She told us all about the work and what she was expected to do. We all enjoyed her talk immensely.

On Monday, 28th August at the Council Chambers we will have a movie commencing at 1pm. The movie will be one of the latest called: "The Guernsey Literary & Potato Peel Pie Society" which should be very entertaining.

Our next meeting is on Monday, 10th September.

# What does Sustainable Agriculture mean for our future?

GLENRAC will welcome Dr. Jacqueline Williams to Glen Innes on Thursday August 16th to tackle the big questions for primary producers. What does sustainable agriculture mean? What international obligations have been signed by our government? Do you know how this could impact on your farm?

The event is part of GLENRAC's 2018 Focus event calendar and will pose these questions and explain what this means for Australian farmers moving into the future. Globally 'sustainable agriculture' is increasingly recognized as central to addressing many of our pressing environmental and social issues.

This presentation will ex-

plure what is 'sustainable agriculture', the current work of the United Nations Food and Agriculture Organization, the implications for Australia and what this might mean for NSW rural land managers including the opportunities for the future such as income streams from environmental stewardship and/or soil carbon sequestration.

This evening event com-

# Grants open for volunteer organisations

Member for New England, Barnaby Joyce, has called on community organisations to apply for a share of up to \$20 million in funding to support the efforts of their volunteers.

Mr Joyce said applications for the Volunteer Grants round were now open.

"Grants of between \$1,000 and \$5,000 will help community organisations in the New England buy equipment such as laptops, pay fuel costs to travel the big distances in our electorate, train volunteers and improve fundraising," Mr Joyce said.

"About 49 organisations, both big and small, here in the New England benefited from the Volunteer Grants in 2016."

"Volunteers are the lifeblood of our community and by continuing to help each other, working together, we are building a stronger more resilient New England electorate, especially during these tough times in drought.

"I encourage all not-for-profit organisations in the New England to apply for the Volunteer Grants to help make the work of our volunteers easier, safer and more enjoyable."

For more information or to apply, visit the Australian Government's GrantConnect website at [www.communitygrants.gov.au/grants/volunteer-grants-2018](http://www.communitygrants.gov.au/grants/volunteer-grants-2018)

Applications close Tuesday 18 September 2018.

## Guyra Sheep & Lamb Sale

**August 8th** - Lamb numbers remained steady this fortnight, while there was a reduction in sheep supplies. The quality of the lambs was very mixed, featuring good numbers of well finished trade and heavy weights along with quite a few plain quality and condition light weights. The usual processors were in attendance for the well finished lambs.

Demand for the plainer condition lambs varied with both processors and restockers active on the better lots. The plainest condition and poor quality lambs failed to spark much interest. Market trends were considerably cheaper for the plainest lambs with restockers showing little interest in long term finishing projects. The better quality restocker

lambs were also cheaper than the previous sale with the majority rising a year old and in danger of breaking teeth before finishing. Well finished trade and heavy weights followed recent trends in other markets selling to cheaper trends across all classes.

The limited supply of grown sheep included very few well finished lots, while the majority of

the Merino sheep were freshly shorn. Again market trends were cheaper throughout. Weights were down in the well finished crossbred ewes with this contributing to price decreases. Plain condition shorn Merino ewes struggled to attract much competition from either restockers or processors.

**Next sale August 22nd**

## Weekly Wool Sales

**August 10th** - Australian wool sales resumed this week after the annual three week recess. Historically the first sale back after this midyear recess results in a back log of wool waiting to be sold. This generally creates one of the larger offerings of the season. At just short of 50,000 bales sales commenced on the Tuesday in Sydney and Melbourne. Downward pressure was placed on prices upon opening especially for the broader Merino and Crossbred types as buyers took a wait and see approach to the market. Sentiment quickly turned as the week progressed with gains made

on Wednesday and Thursday pushing the overall market into positive territory for the week. The gains however were almost exclusively reserved for the 19.5 micron and finer types with the broader Crossbreds dropping more than 5%. 47,076 bales were sold nationally for the week with a passed in rate of 4.7%. Major buyers included Techwool, Lempriere and Fox & Lillie with widespread support from the rest of the trade. The Western region closed strongly late on Thursday and with weekly rostered quantities rapidly declining the platform for wool prices looks solid.

## Armidale Cattle Sale

**August 9** - Numbers remained steady. Due to the continued low numbers, the sale will be taking place on a fortnightly basis from now until further notice. It was a mostly plain quality and condition offering, although there were some well finished yearling heifers. There was restricted processor and feedlot competition, however there were a few restockers operating. There were insufficient numbers within categorised weight classes for a reliable quote on market trends, with quality variations also contributing to price change. The better quality cattle in each category remained close to firm, however the plain cattle attracted little interest. The few well finished yearling heifers, suitable to the trade, sold to a dearer trend. A single small pen of well finished heavy grown steers sold at prices similar to other centres. The best of the cows were slightly dearer, while the mostly plain condition cows were firm to cheaper. Heavy bulls saw a significantly cheaper market trend. **Next sale August 23rd**

# Gazette Footy Tipping

It's a bit crowded at the top of the Locals Leaderboard -- three more have joined Jy at the top on 206: Young Master Darcey, Mailman and The Shadow. This should make for an interesting final few weeks.

Chris is next in line on 202 points, then the Red Devils on 200.

Uncle Grandpar was the best of the Locals this week, scoring 12 points.

The Local 'tail enders' have not changed in quite a while - perhaps there might be movement this week.

Celebrity Beth sorted out last week's rather difficult round by top scoring with 14 points, bringing her into equal third position with Sue on 210.

In second place we have the Gazette on 212 and long-term leader, Shona remains top of the class on 216. Kerrie merits an honourable mention for her score of 12.

Girls 1,022-Boys 960. The Girls are back on top: 52-40. Even though we are Girls at the Gazette, we have taken a 'Boy' space and our score will count accordingly.

Glen Innes - phone: 6732 5911

FDA of NSW 12029-01

## THANK YOU

A very special  
"Thank You" to our  
wonderful Firefight-  
ers and local Police  
who came to my  
rescue last week  
when the flue of my  
wood heater caught alight.

You all arrived so quickly, climbed on  
the roof, clambered around in the roof  
space and put the fire out seemingly with  
no trouble at all. I'm a new arrival to town  
and am just so appreciative of your helpful  
attitude.

*Leonie Greene*

## Men's bowls

Only One Club Championship game to report on this week. In Handicap Singles John Jackson (-4) played Chris Kliendienst (-6). John had a two shot start but that did not last long as Chris took control of the game and went on to take victory 31 shots to 10 shots over 31 ends.

In other Guyra Bowling Club News was the success that Guyra Bowlers had at Armidale City's Major/Minor Pairs Carnival held over the weekend. Coming in First place was the Guyra team Steven Sole and Robert Walls with 4 wins plus a draw and a margin of 84 shots.

Coming in Second place was the a composite team consisting of Cameron Peardon (Guyra) and Anthony Bull (Armidale City) with 4 wins plus a margin

of 89 shots. Also coming in Fifth place was another composite team consisting of Ian Jacobs (Guyra) and A. Gibbs (Glen Innes), I have no information as to this pairs result.

Congratulations to all the winners over the weekend a great result all round for the Guyra Club.

Now to Club Championships set down for Sunday August 19th.

Start: 1.00pm. Starter and Umpire: David Wilcox.

Club Triples: David Wilcox, Murray Bourke, Paul Johnson to play Robert Moore, Boyd Stanley and David Lyes.

Handicap Singles: Barry Campbell to play Col Stanley marker Scott Campbell.

For further information on any promotions at the Guyra

Bowling and Recreation Club please phone the Club during working hours.

**The Bowls Bandit.**

## Ladies' Golf

On Wednesday 8th August Guyra golfers ventured out in cool winds to compete in a Stroke event. The winner with a 72 net was Donna White who played some great golf, driving accurately from each tee. Runner up was Kath Varley with 75 net. Best putters were Jenny Rogers and Karen Oehlers with 27 putts apiece. Pip White won nearest the pin on the 18th hole.

Belinda Lenahan and Julie Walker took a match final through to the 19th hole, for the May Mitchell Memorial Trophy, where Julie won the hole and match.

Five Guyra competitors played in a 4BBB Stableford event at Dorrigo on Saturday 11th August for the annual cancer fundraising event; a good day on the course however no major winners recorded.

A Stableford event is set down on the programme for Wednesday 22nd August on Julie Walker's Trophy Day.

**The Phantom**

## Men's golf

No golf last Sunday due to the cold conditions. This Sunday will be a 2 person ambrose so grab a partner and enjoy the course and good weather. The following Sunday will be an 18 hole stableford for the Landmark trophy.

**The Albatross**

# Junior league season winds down

The Under 6 Chats have enjoyed their first season of rugby league and coach Todd Clarke said that the boys have done exceptionally well.

All the boys have scored a try during the season and they are to be congratulated for turning up each week and putting in their best effort on the field.

"I have had great fun coaching these boys and each week they have improved and put in a great effort," Todd said.

"They are a great little team and are always super keen and enthusiastic.

"I hope they have enjoyed it as much as I have."

The final round will be played in Tingha this weekend, followed by a Gala Day in Warialda to wrap up the season.

Guyra Under 6 Chats with coach Todd Clarke

L to r: Ricky-Jay Foster, Baxter Clarke, Ryan Vidler, LaBron Joyce, Nate Mendes, Seth Patterson

## Vets golf

After such a cold day last week where golf was cancelled, today turned out one of the warmest for Winter. Consequently we had a large field of 16 players for a fourball stableford.

The winners were Ian Taylor and Paul Redden with 43 points and runner up on a countback

were Roger Cox and Reg Davidson with 32 points from Don Campbell and Len Stanley and Neil Payne and Dave Bearup.

Nearest the pin on the 7th was Ian Taylor and the 18th Don Campbell.

Dorrigo Vets are having an OpenDay on 6th September. If interested please contact Nancy Prisk by the 30August.

# Barbervax

a vaccine for sustainable control of Barbers Pole worm

Dr David Smith and his colleagues from the Moredun Institute in Scotland are presenting in our region.

This is a unique opportunity to meet with those who have developed the Barbers Pole vaccine. You will have the chance to learn about Barbervax and ask specific questions relating to this region and your farming enterprise.

The drought will break and the worms will be back. Plan now for the next Barbers Pole season.

Date: Wednesday 22nd August 2018
