## Tingha decision fast tracked

Armidale Regional Council has welcomed an announcement the State Government would move quickly on its consideration of a proposed transfer of Tingha to the Inverell local government area.

Member for Northern Tablelands, Adam Marshall, this week announced the Minister for Local Government, Gabrielle Upton, had referred the proposal directly to the Office of Local Government for a recommendation on the proposed boundary realignment.

The proposed boundary shift would transfer the Tingha township and surrounding properties from the Armidale Regional Council area to the Inverell area. Mr Marshall said he hoped the Minister could receive a recommendation before Christmas.

Councillor Murray said Tingha is a valued part of the Armidale region but Council recognised there is strong community support for the realignment.

In 2016, the Tingha Citizens Association started a push for the transfer, saying Tingha had a greater community of interest with the Inverell council area.

Armidale Regional Council consulted with the community in 2017 and conducted more comprehensive

ARC Mayor Simon Murray, Northern Tablelands MP Adam Marshall and Inverell Shire Council Mayor Paul Harmon have welcomed progress on the Tingha boundary move proposal.

engagement in 2018, to ensure all households and property owners in the targeted area had opportunity to provide input on the proposal.

A large response to a postal ballot by Council showed a majority of residents supported the transfer.

“It will be sad to see them go but there is clearly majority support for the move and Council can see there are many ways in which Tingha residents have closer ties with Inverell,” Cr Murray said.

“Council respects the sentiment of the community and strongly backed the realignment in our recommendation to the Minister.

“If the Minister does approve the boundary change, it could still be some time before the transfer is completed.”

He said the State Government and both councils would need to take a number of steps to prepare for the realignment and at this stage it was unclear how long that could take.

# Gardens open for TroutFest

Two Guyra gardens will be open this weekend as part of the TroutFest celebrations.

They will be open to the public on Saturday and Sunday from 10am to 4pm

Both gardens are located on the outskirts of town and easily accessible.

You will find "Roseville" in Llangothlin St. just past Tuckey's Lane, approx 1km North of Fourways Service Station.

The garden features many built structures, notably dry stone walls and buildings.

There is a walled vegetable garden with extensive plantings of boysenberries, raspberries, rhubarb and vegetables.

A sunken garden is flanked by an orchard of 92 cherry trees to the south and a mixed orchard to the west.

Owner Tony Duke has extended his garden substantially since last year and there is lots of colour including daffodils, boronias, rhododendrons, magnolias and glorious showing of hellebore of every colour. There are also a lot of new structures in the garden to add interest.

"Rosewood" is located at 34 Robinson's Lane, heading west turn off Guyra Rd just past the town outskirts.

"Roseville" features daffodils, boronias, rhododendrons, magnolias and glorious showing of hellebore of every colour

The magnificent garden was established in 1906. Fran Wyndham purchased the property in 2000 and began rebuilding the laneways with natives, bulbs and exotics.

The current owner David Kanaley continues the restoration including a delightful array of garden sculptures.

Refreshments and a stall

will be available at "Rosewood".

Maps are available at the Visitors Centre, CT Electrics and Guyra Emporium.

## Quilters show off their craft

Three of the quilts that will be on display featuring intricate design and techniques

A display of quilts will take place over the weekend in conjunction with TroutFest. Hand-made quilts from around the Guyra district, Armidale and other locations will be on display.

The detail and design in the works shows many long hours of creation. The Craft and Quilt Display and Sale will be open all weekend from 10.00am to 4.00pm at 124 Bradley Street (the former Guyra Newsagency building).

As well as the quilt display local quilters will be on hand to discuss quilting techniques and share their pas-

sion for the craft. They will also have some patchwork fabrics and other craft items for sale.

Entry is by donation with proceeds going to New England Wigs and Headwear.

Lorna and Bernie Brazier are also opening their personal collections to the public on Saturday September 29 between 10.00am and 4.00pm at 20 Sole Street.

They have an amazing collection of dolls and model cars on display.

Another collection of old and antique machinery will be on display at the Railway Station.

# Special drought delivery

Four women from Guyra's Catholic community recently loaded up and headed west to the drought stricken district of Carinda, delivering donated goods and raising the spirits of locals who are doing it tough.

Carinda is a small community 71 kilometres south west of Walgett consisting of a small hotel, one petrol bowser, two churches, a small school and a swimming pool. There is no supermarket or corner store where the residents of this small community can purchase groceries or fresh bread and milk, which we take for granted.

The trip was made possible by a drought collection which was taken up by St Marys Parish, St Marys School and the wider community who gave generously. Anne Thrift, Sarah Harding, Carol Tierney and Sue Campbell made the long journey in two vehicles with trailers which were loaded up with groceries and gifts.

Anne Thrift described the experience as 'one of the most rewarding things I've done for a long time'. She said that the locals were so appreciative and humble it made all the effort worthwhile.

Anne, Sarah, Carol and Sue would like to thank the Carinda community for the lovely hospitality, sausage sizzle and especially Lew and Rachel Lamph for accommodating them overnight, prior to their return to Guyra, in

Donations from Guyra were delivered to Carinda on September 15th

which one vehicle took the scenic route home.

The residents of Carinda were grateful for the donations received, sending the following letter of thanks.

### **To the thoughtful people of Guyra.**

*A wonderful day was had by the Carinda and district farmers and residents who showed up at the Commu-*

*nity Hall to an abundant supply of 'Goodies' from all you beautiful, generous people. We cannot thank you enough for your generosity.*

*Yes, the drought is hurting us but many others are 'in the same boat'.*

*However, it certainly puts a smile on one's face to know that others are thinking of us too.*

*I would especially like to*

*thank Anne, Sarah, Carol and Sue for delivering all the donated items. It was lovely to meet you personally. I hope you enjoyed your stay with Lew and Rachel and that you had a good trip home. Thanks you so much for your thoughts and help, may our prayers for rain soon be answered.*

## CWA looks to form evening branch

The formation of an evening branch of the CWA will be discussed at a meeting which will be held at the GALA centre on Saturday 6th October at 3pm.

An Evening Branch would hopefully allow those who are unable to attend Friday

morning meetings the opportunity to get involved with CWA in Guyra.

Anyone is welcome to come along! A committee will be elected at this meeting and plans put in place for the next 12 months.

The Northern Tablelands

Group President, Lorraine Sewell from Enmore, will be at the meeting to provide some guidance and advice.

The CWA is the largest women's organisation in Australia and aims to improve conditions for country women and children. The

CWA lobbies state government for change as well as helping within the local community.

# Achievements celebrated

The students of Black Mountain Public School celebrated school achievement last Thursday at our School Assembly. Students were awarded for their home reading, outstanding attendance and achievements across all areas of learning. The junior students shared their writing about the beach, whilst the senior students shared highlights from their senior excursion to the Great Aussie Bush Camp.

Junior students visited the Guyra library for hearing checks last week also, spending more time learning about how to protect their hearing and keep up good ear health.

The school's Transition to Kindergarten class has been operating every Friday all year. The school is now enrolling for 2019. Every child who engages in the program participates in a variety of early literacy and numeracy activities, whilst being immersed in school culture. The children engaged in the program this year have all made many friends across the school and are familiar with all school routines, which ensures that they are well prepared for their first day of Kindergarten in 2019.

# UGoose does it again

The family run business UGoose, producing gourmet goose meat and goose products from the McKenzie family's Llangothlin farm, has taken out the 2018 Excellence in Small Business at the New England North West Business Awards.

Rob McKenzie stood in for Lucy and Herb McKenzie, receiving the award from television personality Kerri-Anne Kennerley at a function held on Friday night at Petersen's Winery in Armidale.

Taking in Guyra, Gunnedah, Inverell, Armidale, Tamworth, Glen Innes, Tenterfield, the 2018 New England North West Business Awards showcased the diverse array of talent in the region's business community.

Invest Blue was named the 2018 Regional Business of the Year at the awards night.

Regional manager of the NSW Business Chamber, Joe Townsend said that it's important that as a community we come together to celebrate the achievements of our businesses, and the teams which produce and deliver this excellence.

"This year's winners should feel incredibly proud to be

## Winners are footy tipping gridders

Jy was always at or near the top of the Locals Leaderboard throughout this year's footy tipping competition. His average score over the 25 weeks of 9.36 points per week only barely defeated Mailman who averaged 9.28 points per week to come in second place.

It was certainly a very close tussle with these two competitors switching places over the last few weeks of the competition and we are sure kept our viewers on the edge of their seats!

Our youngest competitor, Young Master Darcey cer-

tainly knows his football and around the middle weeks looked like he might take out the competition. He and the Red Devils came in equal third place with an average score of 9.2.

Steady and consistent could be the best description of our local Men's Shed who maintained last place throughout the competition to win the Wooden Spoon with an average of 7.36 points per week.

Thanks to everyone for participating and we look forward to seeing you again in 2019!

# The great teddy bear sleepover

Aimee Hutton led the Reading Hour at the Guyra Library on Monday evening

Good books and teddy bears can be wonderful companions and a source of great comfort, so imagine their potential when they join forces. The Guyra library cele-

brated the Australian Reading Hour – encouraging children and adults to enjoy a good book – by holding a Teddy Bears Sleepover on Monday. The library hosted a free story time and supper from 6pm to 7pm.

To add some fun, people were invited to bring their teddy bears. Australian Reading Hour encourages people to take a break from what they are doing and pick up a book for an hour.

ARC Mayor Simon Murray said that it introduces or re-connects Australians with the joys of reading, putting them on the path to a habit with demonstrated benefits to wellbeing.

“In children it has been shown to help with identity formation, setting them up or success in the future,” Cr Murray said. “In adults, it has been shown to reduce stress by 68% - more than listening to music, going for a walk or having a cup of tea.”

# Fishing competition and simulator at TroutFest

TroutFest is all about fishing and keen fishermen can enter a competition that runs over the weekend. Registrations for juniors and seniors are available online at [www.guyratroutfest.weebly.com](http://www.guyratroutfest.weebly.com) or at the Administration stand on Market Day.

Maps and fishing licences are also available. Entries must be in between 5.00 and 5.30pm at the Guyra Bowling Club Sunday and winners will be announced shortly afterwards.

They can fish anywhere around the region: in the dams, in the trout-streams, whatever takes their fancy. They can also head indoors to try their luck on the Sim-fish fishing simulator.

This realistic 'game' is set to be a big drawcard for the Anglers and anyone wanting to try their hand at fishing without having to get their feet wet. The simulator is

like a video game, using real rods and lines. It is hands-on and very interactive, and is suitable for any age. You can dial up the level of difficulty

and the type of fish you want to have a go at.

Experienced fishermen and first timers can challenge themselves by chang-

ing the level of difficulty. The fishing simulator permits the use of a large range of rods ranging from 4lb though to 100lb, simulating fishes going from small trout up too tuna of 60kg.

This is the first time the Guyra Hotel Anglers' Club has offered the Fishing Simulator which will be located in the GALA building all day on Saturday, and at the Bowling Club on Sunday afternoon from 2pm onwards.

There will be a competition for juniors and seniors and prizes (rod and reel). This event promises to be very popular so don't miss your chance to try your skill and get a workout at the same time.

Prizes for children and adults in both competitions will be presented at the Bowling Club on Sunday night, from 5pm onwards.

# Skating workshops for Guyra and Tingha during holidays

Free skating workshops will be held in Guyra, Tingha and Armidale during the first week of the school holidays.

Professional instructors Totem Skateboarding will hold three-hour clinics in Tingha on Tuesday October 2nd, Guyra on Wednesday October 3rd and Armidale October 4th.

The clinics, starting at 10am each day, will include demonstrations, lessons and giveaways.

“They are designed for skateboard and scooter riders aged five years and over, from beginners to intermediates, and are open to all skill levels,” Council’s Youth and Family Coordinator, Alice Cleaver, said.

“The instructors work on skating skills and techniques, as well as focusing on equipment maintenance

and ensuring safety gear is fitted correctly.

“All required equipment is available to borrow, or participants can bring their own gear.”

Each workshop is limited

to 20 people, so instructors can work closely with each participant and anyone interested should move quickly to book a spot. To register, contact Alice on 0412 173 159.

## PET OF THE WEEK

Sparky is a 12 month old Greyhound x Staghound.

He is a lovely affectionate boy and has polite manners. He is great with other dogs and children. Sparky is a tall dog but not stocky. He weighs 27kg.

He would make a great companion to any family. He would love to go to a home where there was another dog to play with.

## Guyra Sheep & Lamb Sale

**September 19th** - Overall the numbers remained steady with lambs increasing and sheep numbers declining. There were limited supplies of well finished crossbred lambs, while plain condition light

weight Merino's were well represented. The usual buyers were in attendance, however there were limited opportunities for restockers to purchase anything but the light Merino lambs.

Market trends were significantly cheaper than the previous sale. The size of the price changes exaggerated by the fortnight between sales. Those falls not dissimilar to trends at sales elsewhere.

There were too few sheep for a comparative market trend. There were odd sales of the better condition sheep that showed an improvement.

## Rural Market Reports

### Weekly Wool Sales

**September 21st** - The wool market opened softer from the outset this week with all micron categories registering losses on the first day of sales, leaving the Northern Region Indicator down 18 cents. Broader Crossbred types and Merino Cardings suffered some of the larger falls. Very little change occurred on the final day of sales except for the 21 micron indicator that shed 20 cents, dragging the overall indicator down a further 4 cents for the week. With the Aussie dollar strengthening against the US the wool market was virtually unchanged when looked at in US dollars. As is often the case in a softer market wool carry-

ing imperfections was discounted the greatest whilst the limited supply of better style types were reported as virtually unchanged for the week. 32,129 bales were sold nationally with the passed in rate climbing to 9.8%. Major buyers included Seatech, New England Wool & PJ Morris. Sydney hosts the second designated Superfine sale of the season next week with the better style types expected to be sought after. AWEX figures are showing a decline of almost 48,000 bales being offered for the season to date compared to last season.

*Greg Andrews  
Schute Bell Wool*

### Armidale Cattle Sale

**September 20th** - The numbers more than doubled, with an influx of late weaners and light weight yearlings. There were limited supplies in other categories, however there were in excess of 40 head of bulls. The quality of the young cattle was very mixed, which changed the appearance of the offering as there were good lines available. The majority of the young cattle were on the lower end of the fat score range. There were a few well finished heavy steers and heifers, with a small number of 3 and 4 score cows. The usual buyers attended, with strong competition from all sectors.

Going into spring there was strong demand from restockers for light weight weaner and yearling steers. Due to an average improvement in quality there were substantial price rises in most classes, with the better quality

lines experiencing the greatest improvement. On the other end of the scale, the plain quality steers were difficult to sell. There were insufficient steers in the heavier weight classes to compare a quote. There was less demand for light weight heifers returning to the paddock, as such the market showed cheaper trends. Yearling heifers deemed suitable to feed sold 25c/kg dearer, compared to the sale a fortnight ago.

Processor demand for well finished cattle was strong, with 3 and 4 score lines showing strong gains. The limited supply of well finished cows were up to 4c/kg dearer. The plainer condition cows showed a large variation in quality and this reflected in the price range. Heavy bulls were as much as 20c/kg dearer, with some improved quality higher yielding lots penned.

## Men's Bowls

Saturday September 22nd saw the final of the Handicap Singles played. Col Stanley (-8) played Chris Kliendienst (-6) this giving Chris a 2 shot start. Chris made the start work for him going out to a 22 shot to 5 shot lead by end 18. It was at this juncture that Col found his range and steadily set about ranging in the deficit, this he achieved with draw bowls and by end 23 had drawn even at 26 shots all. Col kept the pressure on and slowly drew ahead and was able to close out the game 31 shots to 27 shots over 37 ends. Congratulations Col being the Handicap Singles Champion for the 2017/18 sea-

son.

Also a number of Guyra Bowlers travelled to Armidale Ex Services to participate in their Spring Triples Carnival. The team of Dan Kennedy, David Wilcox and Murray Bourke were the Winners with the team of Steven Sole, Cameron Peardon and Robert Walls managed to come in third place.

As reported last week Saturday October 6th will see the final of the Club Triples played: David Wilcox, Murray Bourke and Paul Johnson to play Col Stanley, Peter Brodbeck and Andrew Sparke.

Sunday October 5th will see the Major/Minor Pairs played: Chris Kliendienst and Peter Brodbeck to play Roger Cox

and Boyd Stanley.

These games are to be played on the forfeit rule applies.

Bowlers please note that Bowls have been boarded for October.

Sunday Morning October 14th: Start: 10.00am: The first round of the Club Fours will be played: David Wilcox, Ian Jacobs, Roger Cox and John Hamel to play Dan Kennedy, Col Stanley, Greg Mitchell and Grahame Starr. Steven Sole, Mallie Walls, Evan Sole and Andrew Sparke to play Robert Moore, David Lyes, Boyd Stanley and Geoff Reeves.

Sunday Afternoon October 14th: Start: 1.00pm: Round two of the Club Fours to be played: Scott Campbell, Barry

Presnell, Cameron Peardon and Barry Campbell to play the winner of David Wilcox and Dan Kennedy's morning game: John Jackson, Murray Bourke, Paul Johnson and Robert Walls to play the winner of Steven Sole and Robert Moore's morning game.

All games are play or forfeit rule applies.

Green Fees are payable for all club games, that means that the winners of the morning games will have to pay green fees for the afternoon games \$5.00 per player.

A BBQ lunch will be provided by the Club to all bowlers participating in the Sunday games.

## Ladies' Golf

On Wednesday 19th September we battled strong northerly winds to compete in a Par event. Donna White blitzed the field to win with +6 while Jenni Jackson was runner up with +2 on a count back from Karen Oehlers. Pip White won nearest the pin on the 7th hole.

On Wednesday 3rd October we will compete in a Stableford event and Wendy Jackson is the starter.

*The Phantom*

## Men's Golf

The winner of last Sunday's event was C Newberry nearest to the pins were D Lyes on the 7th and S Mendes on the 10th with B Simpson on the 18th. Next Sunday will be an 18 hole stableford, the following weekend will see the pennants being hosted by Delungra Golf Club. Teams will be in next week's Report. The presentation afternoon will be Saturday 13th October and for catering purposes you need to contact the club if you will be attending. Don't forget the midweek competition starts on the 8th of October so you have a week to organise your team.

*The Albatross.*

## Vets Golf

On Tuesday September 11th, only 12 players competed in an individual stableford. I guess the Winter Bears are still in hibernation.

The winner with 36 points was Tex Varley closely followed by Don Campbell with 35. Front nine winner was Col Walls and back nine Roger Cox.

Col Walls also won the putts with 26

and nearest the pin on the 18th. Paul Redden was nearest on the 10th.

September 18th saw another beautiful day with a fresh Northerly. A better turnout of 15 players competed for a par counting putts competition.

The winner with plus 4 was Ian Taylor and runner up Paul Redden plus 3. The best putter was Paul Redden with only 25 putts. Best first nine was Pat Grills and back nine Nancy Prisk.

Nearest the pins were 10th John Prisk and the 18th Tex Varley.

On Tuesday September 25th, 12 very keen Vets played a 4 Ball Best Ball. We were happy to welcome Bruce Nicholls from Charlestown. We all waited for the sleet to stop before we headed off into the cold, misty morning.

The weather improved, but during the last 3 holes the rain began to fall again and 12 bedraggled golfers were pleased to reach the 19th hole.

The winners of the day were Ian Taylor and Neil Paine with a great score of 43, followed by Chris Newberry and Warren Grills, Terry Varley and John Prisk with 41 points.

Nearest the pins were awarded to Doug Archibald on the 7th, Warren McCowen the 10th and John Prisk was closest to the pin on the 18th.

The Golf Presentation Night will be held after the Molly Sole event on Saturday, 13th October, from 4.30. There will be a \$5 barbecue and families, friends and of course all golfers are invited to enjoy the evening.

Armidale will be hosting an Individual Stableford Event on Tuesday, 16th October. Please let Nancy Prisk know if you would like to play.

# Finals glory for junior soccer teams

It has been a massive season for Guyra United Soccer's Under 14 Gladiators in 2018 finishing Minor/Major premiership winners in the 14B division.

The team had a few new faces and steadily improved as a team over the season under coaches Hayden Raper and Paul Dullaway.

In the semi-final they overcome a determined TAS side to progress to the decider with a 4-0 win. This pitted them against their main challengers Uralla, who three weeks earlier had given the Gladiators a huge wakeup call by beating them by 8-1.

This was what the doctor ordered and forced them back into playing as a team. In Saturdays Grand Final a huge effort in defence and teamwork enabled the Gladiators to come away with the premiership with a 1-0 victory.

In 2017 Guyra Lil Caspers, in their first year of playing on a full sized football pitch, had an extremely tough year not even getting a draw. Fast forward to 2018 and they played in the Armidale district under 12B Grand Final on Saturday.

At the end of the regular season they were 8th out of 14 sides. The impressive effort of this result was that they were the equal second best defensive side conceding only 20 goals. This great defence enabled them to have draws with two of the top three sides in the competition.

At the end of the regular season the fourteen sides were split into three divisions for the semi-finals. In a nail biting semi, where scores were locked up at 0-0 at full time and 1-1 at the end of extra time The Lil Caspers prevailed 5-4 in a penalty shootout over DK.

## UNDER 14 GLADIATORS Minor/Major Premiers:

**Back l to r:** Hugo McIlwain, Harris Dullaway, Robert Sisson, Jaymie Donnelly, Ashley Donnelly, Claire Flynn, Georgie Mayled,

**Middle:** Kye Raper, Charlie Wark, Abbie Jackson, Jack Lockyer, Courtney Reeves, Emily Lockyer

**Front:** Will Tarrant **Absent:** Tyler, Dylan McGinty

## UNDER 12 LIL CASPERS

**Back l to r:** Aiden Purvis, Craig Lockyer (coach), Lucy Campbell, Reegan Jackson, Ashley Donnelly, Emily Jackson

**Middle:** Seb Brazier, Tom Lockyer, Jack Lockyer, Oli Flynn, Roco Brazier, Jaymie Donnelly, Kirralee McIlwain, Tinny Nyguen **Front:** Jono Wilson

On Saturday they played Norths in the Grand Final and despite a whole team effort they went down 3-2

in a see-sawing match.

This side is a credit to themselves and the Guyra community with their

sportsmanship and efforts on the field over the 2018 season.
